Congressman Harold Volkmer
Room 1728
Longworth HOB
U. S. House of Representatives
Washington, D. C. 20515

Dear Mr. Volkmer:

Enclosed is a copy of a letter I have mailed to Mr. Frank Thompson, Jr., Chairman of the Committee on House Administration.

I do hope that a concerted effort will be made to determine from an independent source as to whether or not the House Select Committee on Assassinations acted outside the bounds of proper investigative procedures and that no personal constitutional rights were violated during their investigation.

I was 'personally' advised earlier today by an aide to one Congressman that I should forget the whole matter-that the H.S.C.A. has become an embarrassing thorn with Congress itself. At this point, I will not 'just forget it'.

Sincerely,

Oliver Patterson
